

Circular No. NT/EXAM/13/2005

NO: 3-NT(1)/2003

Dated De

Sub: Issuance of COC and other certificates to the company's representative

Mercantile Marine Departments were practicing the delivery of Certificate of Competency and other endorsements to representatives of INSA, FOSMA and MASSA so as to facilitate delivery of these documents to the seafarers directly on board to avoid any delay in joining the vessel. In view of continued severe shortage of Indian certified officers, all Mercantile Marine Departments are directed that this practice should be continued with respect to all nautical certificates and endorsements till further notice.
