Authorised by	EAC Branch File No.ENG/EXAM-17(9)/99-III Pt.	EACQNO Chap VI
C. S.	Instructions to Examiners	Circular No. 125
	Issue No. 00	Dated : 17.11.2014

**Subject : Partial modification of Instruction to Examiners
Circular No.120 dated 02.04.2012**

1. References
 - a) "Procedure for Empanelment as External Examiners for Examination" issued vide DGS letter No. ENG/MISC-29(34)/2010-Pt.II dated 31.12.2013.
 - b) Instruction to Examiners vide Circular No. 120 dated 02.04.2012.
2. There is variance in the procedures in above referred documents (ref (a) and (b) above) with respect to the approval/approving authority for granting approval to the Internal and External Examiners for conducting various grades of MEO Certificate of Competency Examination. While Circular No. 120 dated 02.04.2012 has granted authority to the Principal Officer and the designated Examiner of Engineers for approval of Engineer Examiners, the letter referenced (a) above calls for the Principal Officer and Examiner of Engineers to send their recommendation to the Chief Examiner of Engineers. Thus, the variance creates confusion with respect to who should be the final approving authority for the Engineers Examiners.
3. Therefore, in order to be consistent with our quality system and also to ensure uniformity with regards to such approvals in both Nautical and Engineering wings, this Circular partially modifies the Instruction to Examiners, Circular No. 120 dated 02.04.2012 to the extent that the final approving authority for approval of Examiners for any grade of certificate of competency of Engineer's Examination henceforth shall be the Chief Examiner of Engineers.
4. The present practice of approving external and internal examiners by the Examiner of Engineers and Principal Officer of each district in accordance with the Instructions to Examiners circular No.120 dated 2nd April 2012 is hereby discontinued.
This issues with the approval of the Competent Authority and takes immediate effect.

(S. S Gadkar)
