Sub.: Pre Arrival Notification to be submitted by yachts – reg.

1. Chapter XI-2 of SOLAS deals with special measures to enhance maritime security, Regulation 9 of the said chapter pertains to control & compliance measures. Regulation 9.2 of the said chapter specifies that ships intending to enter a port of another Contracting Government are required to provide certain information to officers duly authorized by the Government [i.e. Pre – Arrival Notification for Security (PANS)].
2. The Directorate issued NT Branch Circular No. NT/ISPS/Ports/13/2005 dated 21st November, 2005; providing Guidelines to vessels for entry into Indian Port Facilities. The format of information to be provided by yachts is given in **Annexe I** of the said circular.
3. The Directorate subsequently issued circulars no. NT/ISPS/Ports/13/2005 dated 21st November, 2005 & No. NT/ISPS/SHIP/01/2014 dated on 10th January, 2014 specifying the addresses to which the PANS information was to be provided.
4. The earlier circulars of the Directorate did not specify the need for yachts to communicate Pre- Arrival Notification on Security (PANS). Considering that the safety & security could be further enhanced if all vessels operating in Indian waters provide Pre- Arrival Notification on Security (PANS) prior entering Indian waters, it has been decided accordingly that all foreign yachts entering Indian waters are also required to provide Pre-Arrival notification on Security (PANS). The PANS shall be communicated by yachts at least 96 hours prior arrival Indian port in the format Annexed to this circular as **Annex I**.
